How do I get a bidder number?

Answer: You can contact one of the auction committee members prior to the auction day or register the day of the auction.

What is the order of this year's auction?

Answer: The auction catalog will be organized as follows: Grand Champions, Goats, Sheep, Rabbits, Swine, Poultry, Dairy Beef, Beef

In 2021, what does my bid go towards? Can I purchase an animal for personal use or processing?

Answer: For this year's livestock auction, it will be premium only, with 100% of the winning bid going towards the 4-Her to help them cover their expenses and prepare for the future. However, buyers may work with the 4-Her to purchase the animal for personal use processing. For example, if you are the winning bidder at \$500 and do not want the animal, then you pay a flat \$500 to the auction committee (who will pay the 4-Her) while the 4-Her keeps the animal. However, if you want to take the animal, you will then negotiate with the 4-Her on the actual market purchase price and pay the 4-Her directly.

What are the terms of payment for the auction?

Answer: Payment in full is expected for all successful bids. This year, we will accept credit cards, as well as check and cash. An additional 3% credit card fee will be added to credit card payments. Invoices will be e-mailed as soon as possible after the auction, then mailed the following week. We ask that you make payments as promptly as possible so that we can pay the 4-Hers promptly.

How can I be a part of a multi-buyer group for an individual 4-H'er?

Answer: Buyers may combine to support a single 4-Her – but the Bartholomew County Fairboard will only bill 3 buyers per 4-H member. Consolidated purchases of more than three buyers must have a central way to bill and collect payments. If you plan to participate in a large group of people bidding to support an individual 4-H'er, you must create a separate bidder number for that group purchase with more than 3 buyers. One invoice will be sent to the person who created the bidder number.

What if I cannot participate in the in-person Auction?

Answer: If you wish to have someone place a bid for you, contact the Auction Committee. Be sure to
